OVERVIEW

Located in Kimberly, Idaho, Kimberly School District partners with students, staff, parents, and their communities to create a system of world-class schools. Through its comprehensive curriculum and a highly-qualified team of staff members, Kimberly School District empowers students with the knowledge and skills to flourish and prosper in a global society. The staff leverage leadership, supervision, and administrative skills to promote and support education in all departments and grade levels, including Special Education services.

Transitioning from iTrack logs to GoClaim's system was easy and seamless. Go Solutions has a lot of features that help save me time, so I can focus on my students and excel at my job.

THE TRANSITION

Training

"In addition to an online training session, I was given a handbook that has helped me learn the ins and outs of GoClaim. It's definitely a user-friendly system and it's really nice to have the Go Solutions team available to answer any questions I have."

Samantha Hill

Results

"GoClaim is a very easy system to adjust to; I highly recommend it. As an Occupational Therapist, it helps me stay timely with my notes, which is such an important part of my job. If I had to do it all over again, I would definitely make the switch from iTrack to GoClaim!"
