

## Section 504 Management

Go Solutions simplifies the management of Section 504 plans with a powerful, user-friendly platform that helps districts stay compliant while focusing on student success.

## Key Features

### Compliance & Customization:

Meets federal Section 504 requirements with customizable forms

### Student Continuity:

Keeps records accessible as students transition between schools

### Pre-Built Forms:

No need to create forms—our software provides everything

### Year-Round Start:

Start anytime as a standalone platform or pair it with GoClaim or GoIDEA

## Why Choose Us?

Go Solutions' Section 504 platform ensures compliance, offers customizable forms, simplifies record management, and maintains student history across school transitions—all in one easy-to-use solution.
